

# Job application accepted!

what about those who  
Learned so hard but..

A man in a light-colored suit jacket and a dark shirt is sitting at a desk, looking down at a white piece of paper. He has his right hand to his forehead and his left hand resting on the desk, appearing distressed or overwhelmed. The background is blurred.

**Application rejected**

especially for those who are with  
**Disability**

**Garuda Hacks 6.0**

# **Bridge For The Disabled**

# Problem Statement

Inequitable access to education for all, particularly for people with disabilities

The unemployment rate gap between people with disabilities and non-disabled people marginal

## Global

In developing countries, 80% to 90% of persons with disabilities of working age are unemployed, whereas in industrialized countries the figure is between 50% and 70%.

*'Disabled still face hurdles in job market', The Washington Times, 5 December 2005*

In most developed countries the official unemployment rate for persons with disabilities of working age is at least twice that for those who have no disability.

# Problem Statement

Significant disparity in access to learning resources

Results in marginal unemployment rate gap

Table A. Employment status of the civilian noninstitutional population by disability status and age, 2023 and 2024 annual averages  
[Numbers in thousands]

| Characteristic                            | 2023                     |                |                   | 2024                     |                |                   |
